Spotlight

Meet our Club Treasurer: Jennifer Fortner

Jennifer has been the Club Treasurer since 2019. She is a proud Mesa/Arizona native; her great-grandparents came in the early 1920's, not one of the founding families but early on. Jennifer and her husband Brandon have been married for almost seven years and have four children ages 11-21. Jennifer's 14-year-old nephew recently came to live with them also. Jennifer homeschooled the older two children through Jr High school. She has had her own bookkeeping business for nearly 20 years serving a variety of accountants, businesses, and individuals. Their household also includes three very fluffy rabbit pets, Clove 4, Percy 5, and Latte 3 months.

The little downtime Jennifer has is generally used to read and on the rare occasion with a good block of time available she enjoys cross stitching while watching a movie or two.

LAST MONTH'S SNAPSHOT

March and April were full of events, adventures, and information.

March had Tours, Musicals and High Tea. Our featured speaker was Lynn Nemeth of the Boyce Thompson Arboretum.

April brought Wildlife and Art Exhibits, a museum, and a very successful Spring "Monte Carlo Casino" Cocktail Party with fun for all. The speaker for this month was Brain Draper, the Advisor for the Water Resources of the City of Mesa.
