Spotlight

Red Mountain Ranch Social Club
President: Allyn Bransby

Allyn moved to RMR in 2016 after retiring as an English Instructor from Auburn University. She immediately became involved in the community by joining the Social Club and making so many wonderful friends. She is a member of the RMRCC, where she enjoys swimming, yoga and tennis. Gardening in a desert landscape is a new and fascinating hobby, and Allyn hopes to create a backyard paradise.

In July we had a successful Summer Cocktail Party hosted by Mic Bagby at her home. There were about 30 members in attendance and some great fun was had by all.

In August we had a lovely dinner and great company at the Grill at Las Sendas
