Spotlight

Meet our new Club President:
Robin Hagenstad

Robin & her husband, Gregg have lived in RMR since July 2018. They chose to retire in Arizona because Gregg grew up in Phoenix & both loved the area. Prior to retirement, Robin worked for 45 years as a Registered Nurse, the last 30 years of her career in Administration as the Chief Nursing Officer. Robin's retirement hobbies include yoga, swimming, aqua aerobics, learning how to cook and of course Social Club activities.
